

## **Los Cabos Guide – Golden Zone**

### **Baja Lobster Co.**

\*Description: Baja Lobster Company located in Marina Golden Zone on the waterfront, has just raised the bar for culinary excellence and fine dining another big notch.

Few restaurants can boast the magnificent view of yachts, sunsets over Lands End mountains, professional service, and original seafood dishes of this establishment. By day, the malecon (boardwalk) hums with activity as people board boats for tours and big game fishing. At night, the area transforms into one of the most romantic spots in Cabo with soft colored lighting, cool jazz, stars and colorful neon signs mingling their reflections in the water.

Enjoy your favorite beer or cocktail and let time goes by here on the waterfront. One can dine inside in air-conditioned comfort, outside on the terrace, or in the bar suspended over the water, where you can almost touch the yachts.

Specializing in live lobster and 100% fresh seafood with local products, our Chef Cesar Gomez will surprise you with dishes that delight even the most demanding palates. We invite you to enjoy our service on our exclusive deck at de marina, terrace or on our air condition lounge.

## **Jack's Steakhouse**

\*Description: A traditional Steakhouse. Don't let the skull and cross bones scare you. They are just part of the funky pirate-y décor to draw you into this bay-front tavern with the swash-buckling theme. With pirate statues, rope rigging and ship-like feel, Jack's Steakhouse is a treat for those with a thirst for adventure. The air conditioned dining room is awash with nautical memorabilia such as ship models, swords, skulls and a mermaid figurehead hanging from the artistic hand-painted ceiling depicting the missions of the Baja with a treasure map reminiscent of the pirates that roamed the Sea of Cortez years ago. Even the wait staff are dressed in pirate regalia for a perfect photo op.

The adventure is really in the food. No ordinary grub here, mateys, this food is good, and the rum (or tequila) even better. The outdoor grill on any given evening will entice you to stop and smell the delicious aromas of the meats and veggies being cooked to perfection to satisfy any hunger pangs.

Fascinating pirate atmosphere offering the most incredible service in The Heart of Cabo. Our menu features over 30 combinations, including delicious appetizers and sides, assorted wine selection, cocktails, kids menu and the most amazing steakhouse selection. No matter your preferred style of steakhouse, Jack's has just what you need to satisfy your craving for the perfect steak.
